Confederate

Confederate States of America. The stamps of CSA are fun to collect and a challenge to find. Please keep in mind that these stamps were printed and used, and later stored, under difficult and crude conditions. Quality standards are not the same for CSA stamps as they are for most other stamps. Due to climatic conditions the effects of aging are typically seen. All items are guaranteed to be as described and may be viewed on approval. Payment plans are available.

Item #	Description	Price
216610	6, April 1862 Five Cents Jefferson Davis, Light Blue. Three-margin example neatly tied on reverse of a "visiting card" envelope as both postage and a letter seal. Year date not visible; appears to be canceled ROM(E), Georgia, and mailed to Atlanta. Quite an attractive cover, unusual on a small envelope, and in unusually nice quality.	125.00
216617	7, August 1862 Five Cents Jefferson Davis, Local Printing, Blue. Pair on small piece. Used with neat "X" manuscript cancellations. Left stamp VF, sound and with full margins, right stamp F-VF and stained.	36.00
216637	11 Intense Deep Blue, 1864 Keatinge and Ball Printing, Die A, 10 Cents Jefferson Davis. Typical blurred / filled background of the Keatinge and Ball printings. Used VF with four huge margins on attractive cover to Clarkesville, Virginia. The cover has typical wear and a stain will away from the stamp. The stamp bears what I have been told is a "W. Army Camp grid" cancellation, however the cancel does not appear to tie the stamp to the cover. However, viewing from inside the cover, it is very clear that the stamp has been on the cover for an extremely long time. I believe that the stamp does belong on the cover and guarantee it as such, however cost of expertizing to be borne by the purchaser.	125.00
216622	11a Milky Blue, 1863 Archer and Daly Printing, Die A, 10 Cents Jefferson Davis. Used VF, with four full margins, three of which are large. Light, face-free cancellation. Extremely clear and sharp printing.	45.00
216623	11a Milky Blue, 1863 Archer and Daly Printing, Die A, 10 Cents Jefferson Davis. Used VF on piece, with four full margins, three of which are huge. Crease in right margin but does not diminish attractiveness. Light Alabama cancellation. Extremely clear and sharp printing.	45.00
216624	11c Greenish Blue, 1863 Archer and Daly Printing, Die A, 10 Cents Jefferson Davis. Used VF with four full margins, two of which are huge; this may be an upper right sheet margin corner example. Neat bar cancellation, not a manuscript cancel. Extremely clear and sharp printing.	25.00
216643	12 (Grayish) Blue, 1863 Archer and Daly Printing, Die B, 10 Cents Jefferson Davis. Filled-in lower corners typical of #12 (Die B) and with virtually no remnants of the additional outer frame line. Used VF, with three huge and one close margins. Neat and light cancellation, but which does cut the paper slightly. Clear and sharp printing. A remarkable color which I have not seen before and does not seem to be listed in the catalogs. Very attractive with unusual appearance!	50.00
227544	Confederate States 10c Black Jefferson Davis "essay", imperforate, VF. Privately printed (possibly attributable to August Dietz?). A stunning Confederate accent piece!	39.00

	Matched Set of Four Full Sheets: Set of four matched full sheets of the 1982 State Birds and Flowers issue, all plate number 22222, from each of the four corners. Presented in an attractive album with a very interesting (really!) small book about the development of the stamp issue. Brookman value is \$45 per sheet; I normally sell individual sheets for \$25. This set of four priced just as four individual sheets. One could search around for a long time trying to find a matched set like this. <i>Shipping cost is additional for this item.</i>	100.00	---

235341	Northwestern Lithographing Co., Milwaukee, Wisconsin, demonstration card probably from the 1880s. Though looks engraved, is indeed lithographed (that is the point of the demonstration). A sales aid to presents the skill of this company.	20.00
235342	Book advertisement (page from magazine) for "Authentic History of the Ku Klux Klan 1865-1877" by Susan Lawrence Davis, published in 1924. Though an extremely unfortunate and tragic chapter of American history, it is part of American history. Poor quality, however, I suspect that such ads are many times scarcer than the actual book.	8.00
235343	WWI-era 1919 Honorable Discharge from the United States Army for Marion A. Sisk. Some discoloration and folds, but generally better than usual quality.	12.00

	France). Very attractive and scarce. Lindbergh autographs usually fetch thousands of dollars when on photographs, however, an example such as this is much more affordable and an extremely good value. Also includes the U.S. #C10 stamp; plus four different July 1, 1927 first flight covers bearing the stamp; and a couple Lindbergh articles.
